# About Gifts By July

Gifts by July is a gifting service with the passion to create beautiful experiences through the art of gifting. We realize that gifting is powerful enough to warm the heart of recipients as well as bring a sense of fulfillment to the giver. Our services are tailored towards individuals and organizations who desire to communicate love, honor, appreciation and care to their loved ones and valuable connections.

.

# Our services

Our products cut across various kinds of gifting including

- Corporate gifting
- Welcome gifts and souvenir
- Anniversary gifts
- Festive gifting
- Wedding gifts and Shower gifts
- Special annual celebrations

# Corporate gifting

Our corporate gifting caters to corporate organizations who need to gift different people we call their “Valuable connections”. These people include: their customers, Board members, staff, guest and keynote speakers at corporate events, and many more.

Corporate gifts may be branded or unbranded; we can also personalize the gifts with recipient’s name or brand the gifts with the company’s logo

# Welcome Gift and Souvenir

Welcome gifts are the kind of gifts that participants get when they come in for an event; Souvenirs are gifts that participants or guests get to take home with them.

We give special attention to ensure that these gifts reflect the personality of our customers (their organization) and achieve the desired effect.

# Anniversary Gifts

Birthday Anniversary, Wedding Anniversary, work anniversary, Friendship anniversary... are some of the most amazing opportunities we get to create lovely gifts to help our customers celebrate some of the most beautiful memories and milestones of their lives. We take time to gather useful information about our recipients, and then create bespoke gifts to fit their lifestyle and interests.

# Festive Gifting

Christmas, Easter, Ramadan, New year are some of the special periods when we assist our customers with all their gifting. We go all out to help our customers show love and care to their friends and valuable connections.

We value our customers opinions, however we create a broad list of items that allow our customers decide what they would like to gift their recipients

# Wedding Gifts and Shower Gifts

Bridal shower, Baby Shower, Wedding gifts are some of the most memorable occasions in the lives of families, and we have various gift packages and options to cater to such occasions.

All our gifts are suited to our recipients needs and we take pride in the wow effect that they carry.

# Special Annual Celebrations

Valentines Day, Mothers day, Fathers day, Teachers day, best friends day, Children's day.... These occasions represent opportunities for people to celebrate one another in different roles and capacities, and we are ever ready with fantastic ideas to assist our customers all year round
